

Website 2020 - Return to School.Post Covid19 Post Covid19

On announcement and directives from the Kuwait Government and Ministry of Social Affairs and Labour for resumption of business to private day care centres and kindergartens, First Steps through Year 2 students will return to Royal Britannia Kindergarten and School

All grade-level returns to campus have specific criteria (for example, some grade levels are split in half and will attend class on campus every other day; other grade levels will come to campus for morning classes and other grades will come for afternoon classes). When not in class on campus, students will learn via the Distance Learning Home Learning Packs Plan (HLP).

Although our campus remains closed to outside visitors, the admissions office remains available to answer your questions by writing to Hello@rb.edu.kw and WhatsApp's text +965 98009696
