more goes further.

MAKING AN IMPACT GLOBALLY

At RB we align ourselves with the 17 Sustainable Development Goals (SDGs) through our curriculum and teachings. In order to make an impact on a global scale and help in supporting the SDGs, we have joined B1G1. We will be dedicating each term to a minimum 4 SDGs through B1G1. Not only will we be creating awareness through lessons at school but we will be contributing the contributions we have been collecting every Thursday to various initiatives around the world.

B1G1 Initiatives

1. **SDGs: Educate a Child With Special Needs (Nepal).**
Help a child with disabilities to blossom by giving him or her access to a special needs education for one day.
US 0.40 per day = 120 fils per impact
2. **SDGs: Provide Clean Drinking Water For Underprivileged Children (India)**
Save The Children India through its programs provides potable drinking water for children.
US 0.33 per day = 99 fils per impact

THE GIFT OF GIVING

Five reasons to encore a child to donate to charity:

- Giving instills the value trait of **EMPATHY**
- Charity work produces **GRATEFUL** children
- Donating encourages the child's **PASSION**
- Donating teaches basic math and money **MANAGEMENT SKILLS**

A Wonderful Environment Where Children Can Learn and Grow

WHAT CHILDREN CAN LEARN FROM LAND TRANSPORTATION

Transport is a popular and easily accessible topic for young children. We have all met children obsessed with a certain type of vehicle; be it trains, cars, buses, or something similar! Many children go through stages of lining up their cars or being able to name makes of cars or types of trains.

Transport and vehicles are also very familiar to children; vehicles are all around us and seen all the time. It is important to give children 'hooks' for learning; starting with something familiar and then building on that familiarity to find out more. We all travel, to some degree, every day, even if we walk everywhere! The children and staff transport themselves to and from the setting every day, they use transport (again, even if walking!) to get to the shops, to go to the park, to visit friends and family, and to go on holiday.

A topic on transport is a fantastic starting point for inviting children to talk about their own experiences, as well as involving parents/carers and the local community. There are so many opportunities for enriching activities, such as taking a local bus or train, going on a coach as part of a school trip, walking to the nearest park or shop, inviting children to bring in a photo of their family car, asking a parent/carer who works as a taxi/train/bus driver to come in and talk to the children.

HEALTH AND SAFETY

FIRE DRILL

Fire drills are intended to ensure, by means of **training and rehearsal**, that: people who may be in danger act in a calm and orderly manner. those with responsibilities carry out their tasks to ensure the safety of all concerned. escape routes are used in accordance with a predetermined and practised plan.

As part of Health and Safety procedures and protocols mandated by Government, a Fire Drill will be conducted at Royal Britannia this month.

WATER BOTTLES

Keeping hydrated is extremely important. Kindly send your child/children with a water bottle to school every day. Water bottles are easier to take to different classes and make for easy refilling when needed.

THANK YOU!!!

And reminder to kindly check your child/children's nails to ensure that they are clean and short length for school.

NO JEWELLERY TO BE WORN BY STUDENTS
