## MAKING AN IMPACT GLOBALLY

At RB we align ourselves with the 17 Sustainable Development Goals (SDGs) through our curriculum and teachings. In order to make an impact on a global scale and help in supporting the SDGs, we have joined B1G1. We will be dedicating each term to a minimum 4 SDGs through B1G1. Not only will we be creating awareness through lessons at school but we will be contributing the contributions we have been collecting every Thursday to various initiatives around the world.

## B1G1 Initiatives

1. **SDGs: Educate a Child With Special Needs (Nepal).**  
Help a child with disabilities to blossom by giving him or her access to a special needs education for one day.  
US 0.40 per day = 120 fils per impact
2. **SDGs: Provide Clean Drinking Water For Underprivileged Children (India)**  
Save The Children India through its programs provides potable drinking water for children.  
US 0.33 per day = 99 fils per impact

## Reminders

Students should come to school in clean, well-ironed uniform. Shoes should be regularly polished and well maintained.

Ensure your child comes and leaves school on time and has had a good night's sleep.

Keep your child at home if he/she displays flu-like symptoms such as fever, coughing, sneezing, runny nose.

Lunch boxes are monitored daily. Make sure your child has a healthy food selection, avoid sugary drinks and non-healthy food such as chocolate bars, biscuits and crisps. We encourage a healthy diet. Remember! They learn from imitating others.

## WATER BOTTLES

Keeping hydrated is extremely important. Kindly send your child/children with a water bottle to school every day. Water bottles are easier to take to different classes and make for easy refilling when needed.

**THANK YOU!!!**

And reminder to kindly check your child/children's nails to ensure that they are clean and short length for school.

**NO JEWELLERY TO BE WORN BY STUDENTS**
