WEEK 24 – 25

الملكية البريطانية لذوي الاحتياجات الخاصة  
ROYAL BRITANNIA KINDERGARTEN  
FOR SPECIAL NEEDS

This newsletter serves to keep you informed of the happenings at RB as well as to keep you up to date regarding any information that needs to be known.

We thrive to embolden, engage and empower our students and we would not be able to do so without close communication with our biggest supporters, our parents.

# Physiotherapy

Since my high school studies, I have loved dealing with children and sharing their stories. Therefore, I decided that my university studies would be related to children, due to my ability to combine play with therapy, so that the child would enjoy the session.

Physiotherapy for children helps to solve movement problems and work to achieve independence and physical strength for each child according to his condition or contribute to the treatment of delayed movement and growth problems. It is considered an effective and safe treatment method without the need for medical or surgical intervention in most cases. I feel proud and successful when one of my children achieves a goal or is able to perform a movement on his own without support, and here is the pleasure that enters my heart.

I believe school and parents' cooperation is the key for the child to achieve the highest level of motor progress.

# WHAT IS B1G1?

## MAKING AN IMPACT GLOBALLY

At RB we align ourselves with the 17 Sustainable Development Goals (SDGs) through our curriculum and teachings. In order to make an impact on a global scale and help in supporting the SDGs, we have joined BIGI. We will be dedicating each term to a minimum 4 SDGs through BIGI. Not only will we be creating awareness through lessons at school but we will be contributing the contributions we have been collecting every Thursday to various initiatives around the world.

## B1G1 Initiatives

1. SDGs: Educate a Child With Special Needs (Nepal).  
Help a child with disabilities to blossom by giving him or her access to a special needs education for one day.  
US 0.40 per day = 120 fils per impact
2. SDGs: Provide Clean Drinking Water For Underprivileged Children (Tanzania)  
Give access to safe water for Tanzanian child at a local school by providing a ceramic water filter for a day.

## KD DAYS

Please continue supporting our 1 KD day every Thursday!!!  
Yes, A little goes a long way, a little more goes further.

## Reasons to encourage a child to donate to charity

1. Giving instills the value trait of EMPATHY
2. Charity work produces GRATEFUL children
3. Donating encourages the child's PASSION
4. Donating teaches basic math and money MANAGEMENT SKILLS
