WEEK 31-32

الملكية البريطانية لذوي الاحتياجات الخاصة  
ROYAL BRITANNIA KINDERGARTEN  
FOR SPECIAL NEEDS

This newsletter serves to keep you informed of the happenings at RB as well as to keep you up to date regarding any information that needs to be known.

We thrive to embolden, engage and empower our students and we would not be able to do so without close communication with our biggest supporters, our parents.

# Speech and Language Therapy

Things a parent can do to help facilitate speech development:

1. Choosing the right vocabulary: use and focus on words from day to day life more than numbers, letters etc.
2. Right pace, tone and rhythm: go slow in a singalong pattern.
3. Right pictures and objects: choose interactive ones over battery operated ones
4. Right activities: choose them based on your child's interests and their current developmental age.
5. Modeling and pausing: Model to your child what responses you expect from them and then make sure you give enough time for them to process it and respond.
6. Adequate body language: Don't forget to come down to their level, try maintaining eye contact and then connect.

# RB SUPERHERO

Our Superhero this week is Ms. Ahoud

Thank you for giving your best to the Gergea'an event,  
and making it a huge success.

We recognise your excellent performance and professionalism and  
would like to thank you for your hard work and commitment.

You went well above and beyond our expectations.

WELL DONE!

# UPCOMING EVENTS

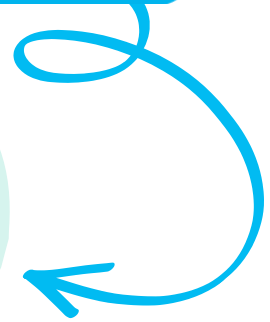

### MAKING AN IMPACT GLOBALLY

At RB we align ourselves with the 17 Sustainable Development Goals (SDGs) through our curriculum and teachings. In order to make an impact on a global scale and help in supporting the SDGs, we have joined BIGI. We will be dedicating each term to a minimum 4 SDGs through BIGI. Not only will we be creating awareness through lessons at school but we will be contributing the contributions we have been collecting every Thursday to various initiatives around the world.

### B1G1 Initiatives

1. SDGs: Educate a Child With Special Needs (Nepal).  
Help a child with disabilities to blossom by giving him or her access to a special needs education for one day.  
US 0.40 per day = 120 fils per impact
2. SDGs: Provide Clean Drinking Water For Underprivileged Children (Tanzania)  
Give access to safe water for Tanzanian child at a local school by providing a ceramic water filter for a day.

### KD DAYS

Please continue supporting our 1 KD day every Thursday!!!  
Yes, A little goes a long way, a little more goes further.

### Reasons to encourage a child to donate to charity

1. Giving instills the value trait of EMPATHY
2. Charity work produces GRATEFUL children
3. Donating encourages the child's PASSION
4. Donating teaches basic math and money MANAGEMENT SKILLS
