

HOME LEARNING PACK 7, TERM 5 WEEK 3

THEME – COMMUNITY HELPERS

STEM

STEM

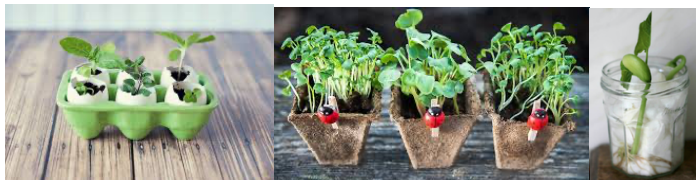

Page 1 – How germs are spread. This fun experiment will help your child understand how germs spread and the importance of washing our hands to keep healthy.

Activity 2 – Planting seeds.

Materials needed - egg cartons, soil (cotton) and seeds.

For very young children, it is **best** to use large **seeds**, which are easy for them to handle.

Suitable examples are peas, beans, sunflower and lentils. Other **seeds** that are good for **growing** in the **classroom** and using in investigations include mustard, cress, mung bean and wheat.

TOPIC

This week your child will learn about community helpers 'Police, Firefighter'. While performing activity, it is crucial to emphasise on vocabulary and essential questions, conversation cards have been included to help you with this task.

ROLE PLAY

Imaginative Role Play is an important part of early childhood development. As children engage in imaginative and dramatic play, they are developing a range of skills, including oral language, cooperation and problem solving.

POLICE/FIREFIGHTER IMAGINATIVE ROLE PLAY

Set up a corner for your child to role-play, use puppets from Topic Activity or create your own using recycled items, such as paper bags (see image). Check your closet for costumes

and wear them to sing the song of the week. Play pretend using toys, cards, dolls, etc. Imagination is the key.

MUSIC
