# WORLD CHILDREN'S DAY AT ROYAL BRITANNIA

Wednesday 20th November 2019

At Royal Britannia, we celebrated World Children's Day by engaging our little ones in group art activities. Children had the opportunity to share and talk about their creations with their peers. A short presentation took place in the Hydroponics Centre allowing children to participate, express themselves and understand their very own value.

### Giving Children Opportunities to Think and Communicate

Students are provided with appropriate opportunities to develop language and communication skills. Children get stimulated by their teacher asking them the right type of questions and providing a wide range of activities that encourage them to talk about their interests, explain what they are doing and make future predictions.

## Reading At Royal Britannia

At Royal Britannia, children are taught that what people say, feel and do can be written down and read by another person. We teach them to identify the different parts of a book, where the text begins or ends, and which directions they have to read the text in (left to right in English). Bilingual children learn to switch directions when reading a language that is presented differently; these skills are also learned in Arabic lessons.

## MAKING AN IMPACT GLOBALLY

At RB we align ourselves with the 17 Sustainable Development Goals (SDGs) through our curriculum and teachings. In order to make an impact on a global scale and help in supporting the SDGs, we have joined B1G1. We will be dedicating each term to a minimum 4 SDGs through B1G1. Not only will we be creating awareness through lessons at school but we will be contributing the contributions we have been collecting every Thursday to various initiatives around the world.

*Find out more about B1G1 by clicking on this link:*

Themes: Seasons, Fairy Tales/Winter Wonderland

### 1. SDGs: Good Health and Wellbeing and Reduced Inequalities

Provide warm clothes to insulate a child from Winter (Ukraine, Russia and Moldova)

Provide warm clothes as a gift of survival for a day. Imagine the chilling winds of winter prickling the bare body of a child along the streets of Ukraine. Insulation in the life-threatening cold in winters as low as -40C is crucial.

US 0.20 per day = **6 fils per impact**

### 2. SDGs: No Poverty, Clean Water and Sanitation and Reduced Inequalities

Give access to life saving water (Ethiopia)

Quench the thirst of people living in Tigray by giving them clean water that is absent of water-borne diseases for one day. The provision of clean and hygienic water will reduce a womans average daily water collection time; effectively reduces children mortality rate from water-borne diseases; and allows girls to receive a proper education instead of spending their time collecting water.

US 0.01 per day = **3 fils per impact**

Dear Parents,

It's my real pleasure to invite you to join the B1G1: Business for Good Giving Initiative.

B1G1 helps businesses like ours give back in powerful new ways. It's really stunning and wonderfully different.

And this is equally great too; when you join B1G1 using my unique code [<https://b1g1.com/connect/GIVING040>], you get [1 KD] worth of Giving Credits to kick-start some really smart giving. I think you'll love it.

1. Now you may prefer to click the button below to join right away based on my strong recommendation (I really believe all my connections could benefit enormously from B1G1).

2. Or you may want to call me to talk about it. Just a call on my usual number is great.

3. You can also complete a new thing called the 'B1G1 Giving Plan' – it's a great way to understand B1G1 before you join. And you can do that right here: <http://bit.ly/invite-givingplan>

Whichever of those three ways you choose, do please choose one! I know you'll be so pleasantly surprised by what you find.

Looking forward to hearing how you go.

Head Teacher

**ARE YOU PASSIONATE ABOUT MAKING A DIFFERENCE?**
