Term 1, Week 4

This newsletter serves to keep you informed of the happenings at RB as well as to keep you up to date regarding any information that needs to be known.

We thrive to embolden, engage and empower our students and we would not be able to do so without close communication with our biggest supporters, our parents.

Yellow Day at Royal Britannia

We celebrated Yellow Day at Royal Britannia on Thursday the 26th of September 2019. Everyone looked amazing in yellow. Classroom doors were decorated and learning activities carefully prepared to ensure our little ones had an exciting fun filled day. Children created yellow textured craft; explored and discovered hidden yellow treasure in ice; had their hand printed to create a heart poster; had a yellow hunting treasure in class; finger printed yellow balloons; read and role played stories related to the theme and so much more. Can't wait for our next Colour Day!!!

MAKING AN IMPACT GLOBALLY

At RBK we align ourselves with the 17 Sustainable Development Goals (SDGs) through our curriculum and teachings. In order to make an impact on a global scale and help in supporting the SDGs, we have joined B1G1. We will be dedicating each term to a minimum 4 SDGs through B1G1. Not only will we be creating awareness through lessons at school but we will be contributing the contributions we have been collecting every Thursday to various initiatives around the world.

TERM 1

Themes: All About Me, My Family and Home, Healthy Living, Caring for our Earth

1. SDGs: No Poverty, Good Health and Wellbeing and Quality EducationSupport a family to stay together (Cambodia)

Support a family at risk of separation to remain together and create a brighter future for their children. In Cambodia, parents often feel forced to place their children in orphanages due to poverty and lack of access to education. All children have the right to grow up in a safe and nurturing family environment. This Life Cambodia works to preserve and support these vulnerable families through self-determining income generation activities, scholarships for children and emergency medical/basic need allowances.

2. SDGs: Good Health and WellbeingProvide dental hygiene (Morocco)

Help impart a child living in El Jebah with dental and oral hygiene knowledge for one day by supporting this sustainable and on-going project. Imagine living in an isolated fishing village with no dentists, no toothbrush and no toothpaste. You do not need to be a dentist to imagine the consequences. Pain-free dentistry will be provided with focus on preventing oral diseases rather than just extracting teeth.

ARE YOU PASSIONATE ABOUT MAKING A DIFFERENCE?

If you would like to choose an initiative to contribute towards, separate to what we are doing, please feel free to contact us directly and we can make this happen!
